

PSAC North East BC Area Council Meeting

October 16, 2014

HEU Hall 5:30 pm

In attendance: Parveen Deepak (UTE) Val Stewart (UTE) Tracy Arrowsmith (UTE) Leanna Chiasson (UTE)
Marilynn Schmaus (CEIU) Sharon Bull (USGE)

Regrets: Ben Scharff (USGE) Collette Green (CEIU) Pete Charlie (UTE)

Further discussion on the Farmers Market info session. Still no response from the emails sent out to get permission on setting up a table at either of the farmers markets. Sharon did have the paperwork (pages and pages) that were available on line. It was decided that a better approach would be to set up an information session at Books & Company where area council members could sign up for an hour or two at a time and provide information on the 'We are all affected' campaign. Parveen would contact the regional office and request a kit. Sharon volunteered to call Books and Company and booking. The best dates would be Nov 8th, Nov 15th and hours would be 10-2pm (1hour slots).

Voted on the Delegate to the next PSAC Triennial Convention

Tracy Arrowsmith nominated Parveen Deepak

Seconded by Marilyn Schmaus

Voted to send Parveen Deepak to the PSAC Triennial convention April 2014

Alternate was also voted during the meeting: Sharon Bull (Tucker) will go in the event that Parveen Deepak is unable to attend the triennial

Discussed option of trying to piece funding together to take Sharon Bull as an observer to the triennial as she expressed an interest in attending

Meeting adjourned
