September 27, 2011 guest at UCTE National Convention Ottawa	meeting UCTE BC members who were in attendance, learning about the issues that affect UCTE members

Since May I have been making the transition from a geographic representative to that of a Regional representative, working closely with Chris York and Bob Jackson during this period. I had many opportunities to represent the PSAC and our interests with our Labour, political and community partners. Through these activities I learn more about the issues that affect our lives and can be a more informed voice on behalf of our members. I always enjoy the opportunity to meet people to promote the activities and resources of PSAC.

There are many more exciting activities coming in the near future-our PSAC No Job Cuts campaign, municipal elections, the BC Fed Political Action Lobby and Union Renewal Conference and the CLC Winter School to name a few. The challenge is to

get as many PSAC members involved in these activities as possible. I will continue to work closely with Bob and the REC to get members involved and to be a vibrant presence in our Region.
